

Course Name: African American History II

Course Number: HIS* 217

Credits: 3

Catalog description: This course examines African-American experiences from the end of Reconstruction through modern times. It illustrates some of the many success stories of African-Americans and identifies the obstacles to the enjoyment of full civil rights that were place in their way. This course covers the contributions of African-Americans to education, literature, the military, and the sciences. It also investigates the Civil Rights movement and protest movement of the 1960s and beyond in the United States up to the present day.
